GOVERNMENT OF THE PUNJAB
SCHOOL EDUCATION DEPARTMENT

Positions Vacant

The Government of Punjab, School Education Department (SED), is establishing a Strategic Management Unit (SMU) to enhance efficiency, focus and timely execution of departmental works and procurements. The SMU will strengthen institutional capacity for strategic planning, execution, and management of development projects and special initiatives. It will ensure transparent and timely implementation of development schemes through professional project management practices; institutionalize end-to-end project planning, monitoring and reporting; improve utilization of development funds through strengthened financial management and compliance, enhance infrastructure planning, technical oversight and quality assurance, bridge the gap between project design and implementation, promote evidence-based decision-making through research, data analytics, and digital monitoring systems.

The SMU invites applications from qualified and motivated individuals for the following positions.
