**Subject :- TUITION FEE CHARGED DURING SUMMER VACATION
BY PRIVATE SCHOOLS.**

It has been observed with concern that, the tuition fee of entire summer vacation i.e 3 months is collected at the beginning of summer vacation by the private Schools. It results into extra financial burden on the parents. The names of the students unable to pay the tuition fee collectively in advance is also struck off which not adds to the agony of the parents but also puts extra financial burden of readmission fee/fine etc.

2. The Government has taken a serious view of the above situation and has decided that, the tuition fee for the summer vacation period will also be charged on monthly basis. It will lessen the hardship and extra financial burden on the parents and also enable to pay the tuition fee in time.

3. It is, therefore, directed that the policy may be given wide publicity through print/electronic media, and strict disciplinary action, including de-registration school/Institution failing to abide by the Government policy may be taken.
